Social Weekend

On 25-26th of May we will explore the city of Gothenburg. Join us in an exploration of Gothenburg, the city where you feel the breeze from the sea and where the old meets the new. Gothenburg is top ranked in the Global Destination Sustainability Index. During these two days we will offer you a city walk through the cosy old neighborhood of Haga as well as a stroll in the central parts. We will take a tour in the Gothenburg archipelago and show you some Swedish specialties. A social dinner will be held on Saturday evening. The cost for the social weekend will be around €60. The first activity will start at 14:00 on Saturday and the last one ends around 17:00 on Sunday.
