#### Getting in

- By plane
  - Göteborg Landvetter Airport is located 20 km east of Gothenburg. It is an international airport serving the Gothenburg region, and has connections with about 40 scheduled destinations.
    - Arriving from Landvetter Airport (GOT): You can take the airport coach to *Centralstationen (Nils Ericson Terminalen)* and *Korsvägen*; this takes approximately 25-30 minutes. *Korsvägen* is close to the recommended hotels. The bus ticket costs 105 SEK and can be purchased on-line at <https://www.flygbussarna.se/en/landvetter>, inside the airport, in the ticket machine by the bus stop, or on the bus (credit card only).
    - A taxi from the airport costs 450–650 SEK. Ask for the fixed price.
- Other means of travel
  - Arriving by train: Look for train connections to Gothenburg at [www.sj.se](http://www.sj.se).
  - Arriving by boat: There is regular boat traffic to Gothenburg from Denmark and Germany, operated by Stena Line. For information about time schedules and prices visit [www.stenaline.se](http://www.stenaline.se).
  - Arriving by car: E20/E6 freeway northbound Stockholm/Oslo or southbound Malmö/Copenhagen.

## Getting around

- Gothenburg has a compact city center. Almost everything is within walking distance or easy to reach by tram or bus <https://www.goteborg.com/en/good-to-know/getting-around-town/>
- By bus or by tram:
  - In Gothenburg, trams, buses and boats are always included in your public transport ticket/card. All tickets and travelling cards can be purchased at any of the public transport operator *Västtrafik*'s sales outlets, or in the app [To Go](#). The outlets are recognized by their blue flags and façade décor. Most of them are kiosks like *Pressbyrån* and *7-Eleven*, or grocery stores. The Tourist Centre at *Kungssportsplatsen* also sells 1-day and 3-day tickets. You can sometimes buy tickets in the trams but not always so buy in advance to make it easier for yourself. Single ticket in Gothenburg costs 28 SEK, a 24-hour ticket costs 95 SEK and a 3-day ticket costs 190 SEK
  - The best way to get to the **conference venue** (Frans Perssons Väg 6, 412 76 Gothenburg) is by bus. The bus stop is called *Delsjömotet* and can be reached from *Korsvägen* bus lines: GRÖN Express, RÖD Express, 513 or 753 (~5 min)  
from *Centralstationen* bus line: RÖD Express (~12 min)  
from *Nordstan* bus line: GRÖN Express (~12 min)
  - To reach the **airport** from the conference venue you can either take a bus from *Delsjömotet* to *Korsvägen* (see above) and then take the airport coach from *Korsvägen* or you can take a taxi directly from the conference venue.
- By Taxi
  - Sweden does not regulate prices; they may vary greatly, it is the customer's responsibility to check prices beforehand. Make sure that you check (and understand) the price on the yellow label before accepting a ride or speak to the driver to agree on an approximate price.

## Hotels

- We recommend you to stay either at
  - Scandic Rubinen, Kungssportsavenyn 24, 400 14 Gothenburg or
  - Scandic Opalen, Engelbrektskatan 73, 402 23 Gothenburgwhich are both within walking distance from the bus/tram stop *Korsvägen* and hence convenient when going to the conference venue.
